Records Set at 2003 Virginia Hunter & Bloodstock Spring Sale

The largest crowd ever assembled at a Virginia Hunter & Bloodstock Sale packed Frying Pan Park in Herndon, Virginia to see a record breaking sale average set at the Virginia Hunter & Bloodstock Spring Sale, held March 22, 2003. New records were set in many statistical categories including average sale price at \$2,775; average price for horses at \$3,183; and number of horses and ponies sold for \$5,000 or more at 21.

Sellers from thirteen states and Canada offered their horses to nearly 2,000 potential buyers. Horses and ponies came from as far away as Saskatchewan, Canada; Maine; and Florida. Buyers from thirteen states took new horses or ponies home.

"This was an impressive sale in light of the current economic conditions and the fact that it was held just three days after the start of a war." stated Mike Jennings, President of Professional Auction Services, Inc. "As far as we can tell, this is the highest average sale price in over twenty years. The Virginia Hunter & Bloodstock Sales have made tremendous progress since we purchased the company in the summer of 1998."

"Our goal is to establish reliable auction markets for show horses, field hunters, recreational riding horses horses and poines, breeding stock and prospects at the Virginia Hunter & Bloodstock Sales and the Eastern Fall Hunter & Sport Horse Sale in Maryland, much like the auctions we produce for the Quarter Horse and Paint market." said Jennings. Since 1993 Professional Auction Services, Inc. has sold 11,820 Quarter Horses at auction for nearly \$50,000,000 and has sold Quarter Horses for as much as \$400,000.00. "The Hunter & Bloodstock sales are becoming very reliable markets where buyers can market their horses to hundreds of potential buyers and sellers can shop through a large number of horses and ponies in one place."

The Virginia Hunter & Bloodstock Spring Sale was produced by Professional Auction Services, Inc. of Leesburg, Virginia. Professional Auction Services, Inc. was founded in 1978 by Mike Jennings and Tim Jennings and has managed nearly 200 Horse Auctions with sales of \$80,000,000.00. Auctioneers for the Sale were Mike Jennings of Professional Auction Services, Inc. and Troy Graham.
