**CONDITIONS OF SALE**

**FIRST** - Ponies are offered for sale according to the laws of the State of KENTUCKY. The highest bidder will be the Buyer. Immediately after the pony is designated as sold, the bidder recognized as the Buyer by the auctioneer will be presented with a Buyer’s Agreement. The Buyer’s Agreement will show the Hip number, name of the pony, and the selling price. The Buyer must immediately and legibly complete the required information and sign this agreement. The Buyer shall present picture identification (such as a driver’s license) to confirm information to auction staff at time of signing. Presentation of the Buyer’s Agreement to anyone other than the bidder recognized by the auctioneer will not entitle that person to right, title, or ownership of the pony. If any dispute arises between two or more bidders, the pony in dispute shall immediately be put up again for advance bids. If there be no advance the pony shall go to the person from whom the auctioneer recognized the last bid. The auctioneer will decline any bids made by parties who have defaulted in former purchases or by persons who in his judgment, are not responsible bidders. Rights of consignors to bid are reserved unless otherwise announced. Consignors may authorize auctioneer, or others, to bid on their behalf.

**SECOND** - **BUYERS ASSUME ALL EXPENSES AND RISKS ON PONIES AFTER THEY HAVE BEEN STRUCK DOWN TO THEM.**

PAS, Inc. recommends that the buyer obtain Full Mortality Insurance on ponies immediately after purchase, however, this decision and risk rest solely with the buyer. Upon receiving payment for the pony the cashier will issue a two part receipt. Buyer must present the pink copy of this receipt to SECURITY at the time the pony is removed from the grounds. All ponies must be checked out with Security or the Sale Office by NOON, WEDNESDAY, August 11, 2010. Failure to remove or care for the pony for any reason will obligate the buyer to pay all costs associated with board, transportation and security of the pony. Any ponies that remain for the duration of the Pony Finals show must make special arrangements through the sale office and may have to be moved to a different stall.

**THIRD** - **A BUYER’S PREMIUM OF 7% OF THE FINAL BID PRICE WILL BE CHARGED TO THE BUYER ON EACH PONY SOLD.**

This Buyer’s Premium will become part of the purchase price and will be subject to Sales Tax.

**FOURTH** - Professional Auction Services, Inc. may distribute or publish the results of this sale in publications or post the results on its web site including such information as the price and buyer’s name.

**FIFTH** - Terms of sale are cash and payment in full must be made immediately after the sale is over. Pay the cashier in all cases. Payment may be made in the form of cash, personal or business check with proper identification, cashier’s or certified check, valid traveler’s checks, Master Card, Visa or American Express. Checks must be made out to PROFESSIONAL AUCTION SERVICES, INC. In no case may any part of the purchase price be paid direct to the consignor by the purchaser and such payment shall not be valid or entitle the buyer to obtain the pony. **ALL SALE TRANSACTIONS MUST BE MADE THROUGH THE PAS, INC. SALE OFFICE.** Kentucky Sales Tax of 6% will apply to all purchases unless purchaser is properly exempt. Buyer agrees not to stop payment on check for any reason. A charge of $50.00 will be made on any check that is returned.

**SIXTH** – **ONLINE BIDDING** – To be approved to bid live online through HorseAuctions.com and BidSpotter.com, any bidder must agree to the Online Buyer Procedures & Agreement.

**SEVENTH** - If any person shall purchase a pony and not pay for it as prescribed above, the sale management or consignor shall have the right to resell the pony or at their option bring legal action in which event buyer agrees to pay all cost of such suit together with reasonable attorney fees as fixed by the court. In the event of resale the defaulting buyer agrees to pay all costs of resale and price deficiency, if any. Interest of 1-1/2% per month will be charged on the unpaid balance of any account not paid for as set forth in these conditions.

**EIGHTH** - All registration papers will be withheld by the sale management until all checks clear the bank (21 days) at which time they will be mailed, with completed transfer reports to AQHA for Quarter Horses, and to the buyer for other breeds. **NOTE:** If any buyer desires to obtain papers immediately, the pony or ponies must be paid for with cash, cashier’s or certified check, or personal check accompanied by a Letter of Guarantee issued by your bank. Please call PAS, Inc. office for letter format.

**NINTH** - Every effort has been made to assure correctness of the catalog but Professional Auction Services, Inc., the sale management and auctioneer are not responsible for errors or omissions and assume no liability on the part of the seller as to any such statements, either verbal or written, regarding ponies sold. All statements and corrections at the sale will supercede the catalog.

**TENTH** - Professional Auction Services, Inc., auctioneers and clerks do not act for or represent the buyer or seller, but merely provide a medium for bringing together the buyer and seller for the purpose of sales transactions. Professional Auction Services, Inc. and sales personnel assume no responsibility whatsoever to anyone for blemishes, defects, the physical condition or health of any pony and make no warranties or representations of any kind in the sale and hereby **SPECIFICALLY WAIVE ALL IMPLIED WARRANTIES OF FITNESS AND MERCHANTABILITY. ALL RESPONSIBILITY LIES BETWEEN THE CONSIGNOR AND THE BUYER.**

**ELEVENTH** - Buyers and spectators are cautioned to be careful while on the grounds and particularly while ponies are being sold or shown in the sale ring. **THE SALE MANAGEMENT IS NOT RESPONSIBLE FOR ACCIDENTS.**

**TWELFTH** - Kentucky Horse Park assumes NO responsibility for the sale or for accidents on the grounds.

**THIRTEENTH** - Broodmares will be guaranteed only to have been bred to stallions as indicated. Any purchaser of a broodmare sold in this sale may have the mare examined by an acceptable veterinarian within 12 hours after the start of the sale and before the pony leaves the sale premises. **Any broodmare so examined whose pregnancy or breeding soundness status is found not to be as represented at the time of sale, may be returned to the consignor as unsold, and the consignor shall pay veterinarian’s fee for examination. Otherwise, no guarantee is made of pregnancy status or eventual foaling unless made specifically by consignor. No return privileges or live foal guarantees accompany mares unless stated by consignor with proof in writing of such agreement issued by stallion owner.**
CONDITIONS OF SALE

FOURTEENTH - Bidding - minimum acceptable advance in bidding are $25 to $2,000, $50 to $5,000 and $100 thereafter.

FIFTEENTH - THE BUYER HAS THE RESPONSIBILITY TO EXAMINE PONIES BEFORE BIDDING. Veterinary assistance is available. Please contact the PAS, Inc. office.

SIXTEENTH - The consignor has the responsibility to notify the sales management in writing prior to the sale of any unsoundness of any nature known to him and they will be announced at time of sale. The consignor also has the responsibility to notify the sales management in writing prior to the sale of the fact that the pony is a CRIBBER, a WEAVER, UNSOUND OF EYES or WIND, PARROT MOUTH for mares and stallions only, a CRYPTOCHORD, MONORCHID or RIDGLING, has been NERVED, has FOUNDERED prior to the sale, has a LAMENESS DUE TO a navicular disorder, osteoarthritis of a joint or other bone abnormality or neurological disorder including, but not limited to, EPM or wobbles. Mares and stallions will be exempt from the lameness provision as stated above if they are represented only as breeding animals. If a buyer discovers such a condition in the pony which was not stated to the sales management by the consignor, as required and specified above, and NOT stated in the catalog or announced at the time of the sale, and the pony had such a condition at the time of sale, the buyer may have grounds to reject the pony. The buyer must deliver to Professional Auction Services, Inc. a WRITTEN STATEMENT FROM A QUALIFIED VETERINARIAN within five (5) days of the date of the sale establishing the existence of the condition, IN DETAIL. The veterinarian's statement shall include a description of the procedures performed during the examination, the results which caused the veterinarian to diagnose the condition, and state how it was determined that the condition existed prior to the sale. If the evidence is conclusive, the consignor agrees to accept the return of the pony and hereby authorizes Professional Auction Services, Inc. to refund the purchase price. If the veterinarian's statement is inconclusive or is not complete with the information required above, Professional Auction Services, Inc. may disallow the claim and pay the consignor. In the event that a consignor does not agree with the buyer's veterinarian's statement, Professional Auction Services, Inc. may hold funds until buyer and consignor resolve the matter in accordance with Condition Sixteenth.

SEVENTEENTH - Disputed Condition - If the consignor disputes the diagnosis by the buyer's veterinarian for conditions stated in Condition Fifteenth above, that were not stated in the catalog or announced before the pony was sold, then PAS, Inc. may appoint an equine veterinarian of its choice to determine the condition of the pony. The examination of the appointed veterinarian shall be limited to the disputed condition. The appointed veterinarian may inspect the pony and may apply such diagnostic testing and procedures as deemed to be appropriate. The appointed veterinarian may also confer with the consignor and the buyer and the buyer's veterinarian, and may review available veterinary medical history including conferring with prior veterinarians having knowledge of the pony, and may review the report and supporting information supplied by the buyer's veterinarian. The decision of the appointed veterinarian shall be final in all respects and PAS, Inc. shall allow or disallow the rejection of the pony by the buyer consistent with the opinion of the appointed veterinarian. The buyer has the duty to present the pony for examination with the appointed veterinarian in cooperation with the veterinarian's schedule and has the duty to provide board, necessary farrier and veterinary care, and transportation until the dispute is resolved. The appointed veterinarian shall be within a reasonable proximity to the buyer. If rejection by the buyer is allowed by PAS, Inc., the consignor shall pay the cost of services of the appointed veterinarian and the buyer may recover from consignor any direct costs as stated in Condition Eighteenth. Risk of loss passes back to consignor immediately upon notice of decision by PAS, Inc. to allow rejection by the buyer and consignor shall immediately make arrangements to take possession of the pony.

EIGHTEENTH - The consignor has agreed not to give the pony any drugs to alter soundness or attitude, unless it is disclosed by a statement in the catalog or announcement prior to the pony being sold. If within five (5) days of the sale, the buyer finds the pony to be unsound for the advertised purpose or makes a claim of misrepresentation of attitude by the consignor, the condition found to be unsound must be diagnosed by a veterinarian of the buyer's choice, and the consignor agrees to pay all reasonable costs involved with the sale and return of the pony, including transportation, board and appropriate sale fees. In the event of legal action over a pony sold in this auction which involves Professional Auction Services, Inc., the Buyer and Seller, jointly and severally, agree to pay all costs incurred by Professional Auction Services, Inc., including reasonable attorney's fees.

NINETEENTH - In the event a pony is returned to the consignor in accordance with the conditions Fourteenth, Fifteenth, Sixteenth, or Seventeenth, the consignor agrees to pay all reasonable costs involved with the sale and return of the pony, including transportation, board and appropriate sale fees. In the event of legal action over a pony sold in this auction which involves Professional Auction Services, Inc., the Buyer and Seller, jointly and severally, agree to pay all costs incurred by Professional Auction Services, Inc., including reasonable attorney's fees.

TWENTIETH - The AGE and pedigree given in the catalog for ponies selling without registration papers is only approximate and not guaranteed.

TWENTY-FIRST - IN SITUATIONS OTHER THAN THOSE SPECIFIED IN CONDITIONS FIFTEENTH and SIXTEENTH, THERE IS NO GUARANTEE OF SOUNDNESS OTHER THAN THOSE MADE SPECIFICALLY BY THE CONSIGNOR.

BUYER’S RESPONSIBILITY - SOME HELPFUL HINTS

• The Seller has a responsibility to announce defects, that they know of, in their ponies, particularly those that may affect the soundness of the pony for the purpose they are advertised for. What is a defect to one person, may not be a defect to another.

• The Buyer has a responsibility to examine a pony carefully before they bid on it. If you have any particular concerns about conformation faults or defects, size, attitude, stall manners, riding ability or anything else, check it out BEFORE you bid. If you buy a pony on impulse, without shopping it before you bid, you may expect to find some surprises. In that case you still own the pony. The seller is not responsible for you if you don't shop the pony. Once you bid on a pony, you are indicating you have shopped enough to satisfy yourself and no one else is responsible.

Some suggestions:

• **READ THE CONDITIONS OF SALE** in the catalog. If you have questions, please call the sale management.

• **CALL OUR OFFICE FOR PHONE NUMBERS OF SELLERS TO GET MORE INFORMATION BEFORE THE SALE.** When you have selected some prospects in your catalog, call the sellers before the sale and ask about the pony. It will save time.

• **Make a list, written or mental, of the things that are important to you in a pony.** Think about the good characteristics you want and also think about the vices, habits or characteristics you do not want in a pony. Consider what negative characteristics you can put up with if a pony can serve your primary purpose well. Go through this checklist for each pony you shop. Ask questions and make sure you get the answers. Do this BEFORE you bid, because after you buy a pony you cannot change your mind if you don’t like the pony.

• **What is the purpose for your new pony?** - Show, recreational riding, racing, breeding, etc. Look for a pony that is bred for or trained for the type of use you need.

• **Conformation** - Examine the pony carefully for conformation defects that may affect your use of the pony. Remember, the “perfect” pony has never been found. Decide what characteristics are important to your purpose and make sure these suit you. There are some areas where you may accept some deviations from ideal conformation, if they don’t cause a problem for you.

• **Appearance** - A pretty pony will always get your attention. We tend to fall in love with a pony because of eye appeal, then hope it will suit our purpose. Be sure to look past pretty and see if the pony really suits. Try not to let color be your only criteria. If you want to show or breed for the color breeds, it will be important. The more specific your desire for a certain color, the harder it is to find the right pony for the purpose.

• **Soundness** - Examine the pony carefully for any blemishes that may cause soundness problems. Watch the pony move and watch for lameness. Check the ponies eyes for obvious defects. Try to notice if the breathing sounds normal. If you see something that concerns you, either mark this pony off your list or get a veterinarian to examine the pony before you bid on it.

• **Veterinary examination** - Before you buy a pony, you may have a veterinarian examine it in any way you want and the seller will allow. In most cases, a general examination by a veterinarian will do quite well. This would involve a visual examination for defects, watching the pony move, possibly flexion tests and hoof testers and checking the eyes, wind and heart. Some buyers have made arrangements with the seller and a veterinarian to meet early at the sale grounds and allow time for an extensive prepurchase exam, including radiographs. Other buyers have contacted sellers to get a veterinarian to examine the pony before it comes to the sale. REMEMBER, AFTER you purchase a pony the veterinary examination allowed by the Sale conditions is very limited.

• **Stable Manners** - If this is an important issue for you, then make sure you go to see the pony in the stall. Ask the seller questions about how the pony is in the stall or in the pasture, alone or with other ponies, how is it to groom, shoe, clip, load, haul or anything else that concerns you. Also ask about cribbing or weaving. To some buyers these items may not be as important as winning in the show ring. To others, this area may be the most important characteristic to consider.
Drugs and medication - We feel this is not as much of a problem as some people suspect. If you are concerned about a pony being drugged to mask a soundness or performance problem, we can suggest a way to check that, if a problem actually arises. You may have the veterinarian draw a blood sample at the sale, at a small cost, and hold it pending the need to run a drug screen. Check with the veterinarian to determine the price of a blood screen. If after a week you have not experienced problems that could have been masked by drugs, the veterinarian can discard the blood. If you have a problem that you suspect was masked by drugs, and you had a sample drawn at the sale, contact the sale management immediately and the account will be held for review. We do not condone use of drugs to misrepresent a pony. If the presence of a drug is found that masked a problem, the seller will get the pony back, if you have notified us in time. Please bear in mind that because you might not get along with your new pony, doesn’t mean the pony was drugged. Most ponies need to adjust to new owners and places, and owners need to adjust to the pony.

Riding ponies - Watch the preview at the sale. If you are looking for a riding pony make sure the owner’s statement in the catalog says the pony is broke to ride, see it ride or better yet, ride it. If you want a pony for children or beginners, make sure the owner's statement in the catalog mentions the pony has experience with this type of rider and have the rider try the pony. If you are looking for a show pony, watch the preview to see it in a show ring situation and talk to the seller about maintenance and preparation.

Insurance - PAS, Inc. recommends that the buyer obtain Full Mortality Insurance on ponies immediately after purchase, however, this decision and risk rest solely with the buyer.

WHAT TO DO IF SOMETHING ABOUT THE PONY WORRIES YOU. - If you see or hear something about a pony that really worries or bothers you, and you can’t get the answers or information to make you feel comfortable, then “Do Not Buy The Pony.” If there are some things about the pony that make you really want it any way, talk to the Sale Manager. If you then don’t have your answers, pass on that pony. There will always be other ponies available.

LISTEN FOR ANNOUNCEMENTS like selling “breeding sound only” or “As Is” which mean the pony may not be sound to ride.

YOUR PROTECTION IS YOUR RESPONSIBILITY. Please examine ponies carefully before you bid and listen carefully to announcements made while the pony is in the Sale ring.

IT IS THE AUCTIONEERS JOB TO HELP DETERMINE THE PRICE.
IT IS YOUR JOB TO DECIDE WHICH PONY TO BID ON.

I agree that if I make a claim of misrepresentation or fraud against the seller, I will submit information to support my claim to PAS consistent with the Conditions Of Sale as stated in the catalog. PAS will review the information provided by the buyer and make a recommendation to resolve the matter consistent with the Conditions Of Sale. If the matter is not resolved by the recommendation of PAS then the buyer and seller agree to submit to binding arbitration.

(e) **Binding Arbitration:** In the event of a dispute between the parties, a claim to enforce this Agreement or the allegation of a default, which is not resolved by agreement, the parties waive the right to litigate the issue and agree the matter shall be submitted to binding arbitration, pursuant to the Code of Virginia, using a single arbitrator to be selected by the parties. If the parties cannot agree on the selection of the arbitrator, they shall allow the arbitrator to be designated by Professional Auction Services, Inc. The arbitration shall take place in Clarke County, Virginia, unless mutually agreed otherwise. In any procedures arising out of, regarding or related to this Agreement, the party found to be at fault shall pay to Professional Auction Services, Inc., Professional Auction Services, Inc.’s costs, expenses and attorney’s fees incurred in such proceeding, in addition to any amounts awarded in such proceedings in the event Professional Auction Services, Inc. substantially prevails. Any parties to the sale may bring no action, regardless of form, including arbitration, more than one year after the cause of action has accrued. Should either party fail or refuse to cooperate upon a demand for arbitration, the non-cooperative party shall automatically be declared the defaulting party by the arbitrator.

Here I Am is out of the great Carolina Red Fox line. “Peanut” is a top-of-the-line Small with a permanent card at 12:2 hands! Huge stride. Peanut walks the lines, has great form over fences, adorable mover, does the lead change. Eligible Green in 2011.
Short Stirrup, Children’s Hunter and Small Pony Hunter packer. “Mick” is an adorable mover and jumper with auto changes, who needs no prep whatsoever to get to the show ring. Walk out of the stall and into the show ring. Will jump around spooky courses without a second look. Zone 6 USEF Pony Hunter Champion for 2009. Packed a 7 year old around Pony Finals in the Regular Small last year without a bit of trouble. Great on the trail and cross country too. View video at http://www.youtube.com/watch?v=Ob-TDuAykEE.

Lime Light is a stunning top-of-the-line Medium mare. Gorgeous on the line, she is a 10+ mover, huge stride, walks the numbers, jumps great with auto changes. She has local miles in the Green and Children’s. She is still eligible Green. Great at the shows, she never looks or spooks. This mare has great manners, loads and hauls with no problem. She is a favorite in the barn. Limelight is the real deal and is going to make a statement wherever she goes.
Prince’ was imported from England as a 3 year old but got a late start here in the States. He has made up for it! He has been showing the Children’s Hunter division since 2008 with exceptional results. Qualified for M & S Finals with ribbons in the equitation. Had 1,087 points towards Zones in 2009. This is an elegant pony who needs a new owner. Will do short stirrup through children’s. Very good mover and jumper with an auto change.

“Sprite” is a 4 year old, 13:1 hand Welsh cross pony by JLA Sir William. She is a nice mover and has a fabulous canter with natural, auto lead changes. No spook, no prep, will make any trainer’s life easy. She has plenty of step to get you where you need to go. Sprite jumps well and is easy to ride to the jumps. Sprite would be a fantastic pony to take a little rider from short stirrup to the Mediums. She is a pleasure to live with and work around. Sprite is correct, beautiful and has proven herself well in the Pony Hunter Breeding classes. Her show record speaks for itself: she was 2007 USEF Zone II Yearling Pony Breeding Champion, 2008 USEF Zone II 2YO Pony Breeding Reserve Champion and 2009 USEF Zone II 3YO Pony Breeding Champion. Sprite is a talented young pony with an old soul, she is ready to take a little rider to the top. Sprite was shown locally in short stirrup hunter over the winter and spring by an 8 year old child and was champion almost every time out. She is currently jumping around 2’3 courses with easy changes. If you are looking for a fancy Medium pony that is easy enough for a child to finish and bring out in the Medium Greens this December, look no further.

Rhiannon (registered Hilin Eira) is a striking, imported Welsh mare, a 12:2 hand very fancy Small pony hunter. Eligible Green in 2011, this pony will stand out in a crowd. She is unique in color, has exceptional movement, with a long beautiful canter, and great form over fences. She is extremely intelligent, super brave, and straight forward to ride. This pony simply has NO vices. Her pedigree has Supreme Champions on both sides, filled with Weston and Eyarth ponies. Eira is a child’s dream. She is sweet, safe, and the champion.

This is a very fancy prospect who will mature a top-of-the-line Medium. He is a lovely mover and showing great talent over fences. Despite being a late foal (8/4/07) he is already working very well under saddle and, in fact, is the easiest youngster I have ever started. He loves to be ridden, has fabulous balance and has already demonstrated natural lead changes. Quiet and brave, this is an excellent prospect for anyone to bring along. This pony is the son of a successful pony hunter mare, who was herself the daughter of another well known pony, Fire And Ice, who showed in the early 80’s. His sire is the son of Avallach’s Irish Whiskey, a successful sire of many sport ponies. He has the breeding, talent, and temperament to make a fantastic prospect for any young rider.

Bellbrooke is a very nice mare by the leading pony hunter sire Farnley Belshazzar. Correct, pretty, moves well, and an extremely good jumper. She has been to the summer’s schooling shows. Jumps the small courses, does her leads, easy to deal with. Has the talent to compete at the national level!
Silver Shine has had many wins at A and AA shows in the Small and Green ponies, as well as Short Stirrup, and is currently leading Zone 6 in the Small Ponies. Silver Shine is a beautiful pony with flaxen mane and tail, and lots of chrome. He has a great uphill canter that is easy to sit and easy to find the jumps on. Fantastic jump, every time, any distance. Lead changes are right there. Jumped right around at Pony Finals 2009 in the Small Greens. He qualified for Pony Finals 2010 his first time out this season, with a new 9 yr. old rider, her first time out of short stirrup. This pony only gets better and better with mileage. I feel he has all the quality to compete at the biggest shows. We would like to retain the right to show Silver Shine through the Pony Finals. “Truman” is half brother to Up TIl Dawn, successful Medium Pony Hunter; and Blue Bayou, Small Pony Hunter who finished 4th overall USEF Pony Finals Small Green division. He is also a full brother to Sugarbrook Arctic Blue, a rising star on the show scene. Truman is a very sweet pony that has a good jump and movement. We have taken our time with him and he is jumping around small courses and started his changes.

“Junior” has it all: the look, the talent, and the brain. He comes from the same line as Hillcrest Blue Halo and Blue Cowboy and is destined to be a super star just like them. He has the trademark Vida Blue canter and is quite possibly one of the easiest ponies I have ever owned. He is brave to the jumps and his lead changes are easy. This special child’s pony is ready to win in the Small Green division in 2011.
“Splash” is a super quiet Small pony. She is very large bodied with an auto change and is a beautiful model and mover. She is ideal for Walk Trot through Children’s Pony Hunter. She was Reserve Champion this winter at WEF in the 11 & Under Equitation. She is not spooky and loves to trail ride as well as compete! Splash has a great show record; she took her rider from Short Stirrup through the Small Pony division. In 2007 through 2008 she was Champion and Reserve Champion and won top ribbons at multiple shows from local rating to AA rated in the short stirrup and small children’s pony hunter divisions. 2008 PBCHA year end Reserve Champion Short Stirrup. In 2009 won top ribbons at “A” shows in the Small Children’s Pony Hunter through the Small Pony Hunter division. In 2010 top ribbons in Small Children’s Hunter Pony throughout the circuit, in addition to Equitation win at WEF.

“Penny” is ready to be at the top of the Medium Greens for 2011. She is the perfect size, good mover and jumper with automatic change. We have taken her to countless local shows and schooled the 2’6” at rated shows. She always commands attention. Well bred, easy to ride, and beautiful.

Hazel has to be one of the sweetest and easiest young ponies I have had the pleasure to work with. She is a very correct, a nice mover and jumper, with plenty of step and all the right instincts. She is currently showing in the Children's Pony with a 9 year old rider. This mare is the real deal! Kick quiet, no spook or stop, auto lead change. Half sister to Blackberry, Hillcrest’s Silver Lining, Hillcrest's Dancing Bear, by a winning Medium pony hunter. If you want a top-of-the-line Small pony your child can bring along to show in the Greens in December, don’t pass this one up. Cinematic (Henry) is a drop-dead gorgeous, Welsh / TB by the renowned pony hunter sire Pengwyn. He is out of an RPSI-approved mare by Reputed Testamony, sire of numerous “A” show hunters. Henry had an outstanding career on the line, including Reserve Champion Best Young Pony at Warrenton, and 2nd at both Devon and Upperville. In 2010, he earned third place in the large and competitive VPBA Young Pony Hunter Under Saddle class at Upperville -- his first time out, with less than 2 months under saddle! He also won the VPBA Young Ponies Under Saddle at Warrenton, in very tough competition, and was 2nd in same class at Deep Run. Not only is Henry a stunning mover he’s got an easy-going temperament, an exceptional work ethic, and a puppy dog personality. He’s been handled since birth and brought along slowly. He is just beginning cavaletti work. He is registered Half Welsh,VPBA and USEF, and sells sound with no vices. A superstar in the making, Cinematic is truly the pony of a lifetime!
“Great, Fabulous, To Die For, and all those other words people use every day. We don’t use those words, but we do know this is a wonderful Small pony! Eligible Green in 2011, shown extensively at the schooling shows, beautiful, moves the best, extremely talented over jumps. Kind, extremely quiet, the model winner, and most importantly, ready for your child!”

2003 12:1-1/2 hand liver chestnut Welsh gelding with classic US breeding combining Bristol, Rosmel and Gayfields lines. He is a lovely mover and jumps in classic form. With his robust presence and unique color, he is sure to be noticed in any show ring! Paper Dragon is currently showing locally in the beginner hunter division and will be ready to be your top Small Green in 2011. He had check ligament surgery as a yearling to correct his conformation.

Safe, Quiet, Reliable. This six year old is already a packer! Brought along slowly by a professional and ridden by an assortment of children. Clark has a excellent jump, just like his mom who was the well known Touch of Flair. He really is a laid back guy that requires no prep for the show ring. He has shown successfully a handful of times at Saratoga, Vermont, and WEF. Clark is very easy to work around and is so sweet around the barn. He is excellent for grooming, clipping, turnout, shipping, and he loves trail rides. He basically loves any attention he can get and is mostly concerned in where his next meal comes from! Clark is looking for a loving home and will make someone an amazing show pony.

Alex is a wonderful “A” circuit pony that is ready to be a superstar. He is consistent under saddle with great movement, a fantastic jump and simple changes. He is started over small cross rails and flower boxes, loves trail rides and is eligible Green. Quiet and patient, he has superb ground manners that have made him a barn favorite. Alex was successfully shown in hand to the top of Zone 2 as a yearling and two year old; and is ready to take your child to the top!
Country Club Bella is a very nice Large for the serious pony person. She is by JLA Sir William out of our lovely conformation mare. She has a big soft step, auto changes and a ten jump. She is from the same family as Hoof And A Prayer. She was raised and trained on a professional show barn and has been handled by children throughout her time there. She clips, loads, and is very easy to live with. Unfortunately, we have no one to continue showing her at the level she deserves and it would be a waste to continue using her for the local riders.

This stunning palomino roan gelding was bred at the famous Gayfields Farm. If you are looking for an amazing Small pony, you have found him. “Shooter” is a cute mover, has excellent conformation, and stands out in a crowd! He has started to jump small fences confidently and in very good form. Shooter has been hacked and schooled at several horse shows in a very relaxed manner. Although he has been professionally trained, a junior rider has also ridden him. This is a real chance to own a pony with fabulous hunter breeding and great potential.
