2000 World Championship Quarter Horse Show Sale Western Pleasure & Hunter Under Saddle

The 1999 World Championship Quarter Horse Show Sale was held on November 16, 17 & 18, 2000 in conjunction with the American Quarter Horse Association's World Championship Quarter Horse Show in Oklahoma City.

For the first time since 1995 the average selling price was lower than the previous year. This year's average price of \$8,567 was four percent, (4%), lower than the 1999 average. "There are several factors at work here; the uncertainty of the contested Presidential election, higher fuel prices, instability in the Stock Markets and a general oversupply of horses on the market", said Professional Auction Services, Inc. Vice President Tim Jennings.

"The demand for the best quality horses continues to increase and they are selling for more money than ever. We sold 96 horses for \$10,000 or more and a record 242 horses for \$5,000 or more over the three days of this sale." said Jennings. "The strength of the market is definitely in the better quality horses. We are starting to see the effects of over supply in several areas, particularly in the Western Pleasure prospects." The average price for Yearling and Weanling Western Pleasure prospects declined by nineteen percent, (19%), even though the number of prospects offered in the sale was reduced by 28 from 1999 levels. The number of Hunter Under Saddle prospects offered decreased by nine percent, (9%), while the average price jumped by twenty four percent to \$8,052.

"The prices here are a direct reflection of the market conditions," said Jennings. "This may have been the best promoted sale in the history of the Industry." Sale advertising included 24 pages in the Quarter Horse Journal as well as advertising in the Quarter Horse News, Pacific Coast Journal and the Equine Chronicle. "We had a full house for every session of the sale from beginning to end," stated Jennings. "The buying public told us what these horses are worth."

The High Selling Gelding was Reckon Ima Jon, a two year old Hunter Under Saddle prospect sold as Hip 8 on Thursday for \$58,000. The 16.3 hand gray gelding is a full brother to Amateur World Champion Hunter Under Saddle horse Nitro Jon. He was purchased by Cecilia Hylton of Virginia and will be trained and shown by Roger and Linda Landis. Reckon Ima Jon was sold by Cathy Jennings of Charles Town, West Virginia. Jennings owned and trained Held Captive, who swept the Hunter Under Saddle Futurities at the 1999 All-American Quarter Horse Congress. When asked why she sold Reckon Ima Jon at Auction she replied "The World Show Sale is the best place to sell a great prospect."

Two yearling colts shared the top price for a prospect of \$30,000. The High Selling Hunter Under Saddle prospect was Coastal Sky, a gray son of Skys Blue Boy. The colt was sold by Greg Hale of Perryton, Texas and purchased by Tracy and Becky Schooler and Dawn Haas of Indiana. Hale has sold yearling prospects at the World Sale for years, many of which have gone on to amass impressive show records including Im Invious, who sold in 1998 and was Champion of the 1999 Congress 2 Year Old Limited Open Hunter Under Saddle Futurity. Schooler was enthusiastic about his purchase saying "This colt looks like he could be a big winner in the Futurities."

A Western Pleasure prospect by Radical Rodder named The Radical Hour also sold for \$30,000 to Ohio trainer Ty Hornick. The Radical Hour was sold by Miers Quarter Horses of Abilene, Texas. Owner Shannon Miers was in the hospital at the time of the World Sale recovering from a car accident.

The High Selling filly was Awesometamus by the 1999 World Sale High Seller, An Awesome Mister. The bay filly, who sold for \$20,000, is Longe Line winner and is out of Congress 3-Y-O Non-Pro Snaffle Bit Derby Champion and Leading Money Earner, Zippopotamus.

The High Selling Yearling Gelding was Walk On Top, who fetched a price of \$27,000 from Tim and Lou Petty of Florida. Walk On Top had an extensive show record in the Hunter conformation classes at the major East Coast shows including being named Champion Non-Thoroughbred Yearling at the 104th Devon Horse Show and Best Young Horse at the Capital Challenge. The 16 hand black gelding was sold by Jennings Quarter Horses. "Walk On Top is one of the most beautiful Quarter Horses I have ever seen," said Tim Jennings. "Everywhere we showed him this summer he would draw a crowd. People just wanted to get close to him. I have never seen anything like it. To top it off, he is a great mover and an incredible athlete. We bought him after he won Devon just to sell in this sale. We want to show people that the best horses can sell extremely well at auction." Jennings Quarter Horses sold the High Selling Horse in the Performance Sessions at the 1999 World Sale.

The Amateur division of the 2000 World Championship Quarter Horse Show provided a success story from the 1999 World Sale. The 2000 Amateur Reserve World Champion Amateur Yearling Stallion, Dawns Knight, was purchased by his owner/exhibitor Lana Brooks at the 1999 World Sale for \$4,400.

The World Championship Quarter Horse Show Sale continued its broad national and international appeal. Horses from 39 states and Canada were offered for sale. Buyers from 38 states purchased horses at the sale along with international buyers from Canada, Mexico and Germany .

The Sale was managed by Professional Auction Services, Inc. of Leesburg, Virginia. Professional Auction Services, Inc was founded in 1978 by Mike Jennings and Tim Jennings and has managed nearly 165 horse auctions with gross sales of over \$70,000,000. The firm has been retained by AQHA to manage the sale through 2002. Auctioneers for the sale were Mike Jennings, Tim Jennings, Keith Babb of Monroe, Louisiana, Tony Langdon of Dallas, Texas and Joel White of Oklahoma City, Oklahoma.
